WINTER 2019/20

JANUARY 2020 - New Offices

Currently, Dementia Care TLC is based in Burnham-On-Sea but we have been looking into new offices for the past few weeks and finally made a decision!

As of April 1st 2020, we will be moving to Benjamin Holloway House at the West Quay in Bridgwater so please put this in your diaries to avoid coming to the wrong place.

We are excited for a fresh new place that will be bigger and brighter and will have easier access than our previous office for all of our clients and visitors.

We look forward to sharing more on the new space with you all soon!
